Adoption Policy

To reserve a new puppy from Fisher Goldendoodles, we require a nonrefundable \$300 deposit. The remaining balance is due at the time of pickup unless other arrangements have been made.

Puppies cannot leave their birth home until eight weeks of age or older. Our puppies need time to grow and develop. They need to be eating solid food. They also need time to wean.

We strive to have our puppies extremely well socialized, so they are ready for their new homes. We want the transition to their new homes to be as seamless as possible. We will also be available to help new owners with any questions about their new puppy's care during this transition.

Making a Deposit

We accept cash, PayPal and Venmo. If PayPal or Venmo is your preferred method of payment, please choose the "Friends and Family" option ("Send to Someone You Trust").

PayPal: Melfisherjr11@icloud.com

Venmo: @Melvin-Fisherjr

Your \$300 deposit is nonrefundable. This will secure a puppy from an existing or upcoming litter.

Please note that we cannot guarantee how many puppies will be in a litter or what gender they will be. Puppies are sold on a first-come, first-serve basis, which is determined by the date of the deposit transaction.

If you submit a deposit and there is a problem with the dog/puppies, you may use the deposit on a future litter or choose a different puppy from the litter. Please keep in mind that these are animals and unforeseen circumstances do occur.

Sometimes a female may not get pregnant; occasionally there are health issues. We take pride in the care of our animals, but sometimes there are situations beyond our control.
